

An alternative to downloading and installing Oracle 11g Express on your computer, is to use Oracle Application Express directly on the internet through your web browser. To do this, you must sign up and request a workspace. Use this link: <https://apex.oracle.com/en/learn/getting-started/>

Getting Started - Oracle APEX

Platform Solutions Learn Community Get Started for Free Sign In

Getting Started

1 Get an Environment

Start by requesting a **free** service from our hosted evaluation instance.

It takes just a few moments to sign up, and within minutes you'll have your workspace ready to start building your first app.

Watch this short video to see how simple it is to sign up and get started!
